1. Match the parts of the text with their titles. There is one title you don't have to use.

- 1. A useful invention**
- 2. A popular weekend activity**
- 3. A school competition**
- 4. A healthy lifestyle choice**
- 5. A favourite place to study**
- 6. A traditional celebration**

A. Many students prefer studying in libraries because they are quiet and comfortable. Libraries also provide access to books, computers and the Internet. It is easier to concentrate there than at home.

B. Every year our school organises a science competition. Students prepare projects and present their ideas to teachers and classmates. The best participants receive prizes and certificates.

C. Eating fresh vegetables and fruit helps people stay healthy. Doctors recommend avoiding too much fast food and sugary drinks. Regular physical activity is also an important part for every person.

D. Smartphones allow people to communicate, study and find information quickly. Today it is difficult to imagine daily life without them. They have become one of the most useful gadget of modern times.

E. Every Saturday and Sunday many families go to parks or countryside areas. They walk, ride bicycles or have picnics together. Such activities help people relax after a busy week.
